

THREE MIRACLES

We prayed and prayed for so many years,
Said rosaries, novenas and shed a few tears,
It was heartache as time went by;
Sometimes we didn't talk about it, my love and I.
But wait, don't give up God seemed to say,
The time has arrived – your babies are on their
way.
And for being so patient and trusting in Me,
I won't send you one – I will send you “three”!!!
